O R D E R

On July 29, 1994, BellSouth Telecommunications, Inc. d/b/a South Central Bell Telephone Company ("South Central Bell") filed a motion to schedule a site visit to The Allen Company and for an informal conference in this proceeding. To date, The Allen Company has filed no response to South Central Bell's motion.

An informal conference in this proceeding would enable the Commission Staff to gain a better understanding of the issues involved in this complaint. However, at this time the site visit would likely drain limited Commission resources. Parties are encouraged to bring to the informal conference photographs or video recordings of The Allen Company's site which could accomplish the same purposes as a site visit. These photographs or videos will become part of the record of this proceeding.

The Commission, having considered South Central Bell's motion and having been otherwise sufficiently advised, HEREBY ORDERS that;

1. The motion for an informal conference is granted and shall be held on September 2, 1994, at 10:00 a.m., Eastern Daylight Time, in Conference Room 1 of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky.

2. The motion to schedule a site visit is hereby denied for reasons stated herein. Parties are strongly encouraged to bring photographs or video recordings of the site location to the informal conference.

Done at Frankfort, Kentucky, this 26th day of August, 1994.
